This building was previously used as the NCO Club and while it would need renovations, it could make a good office complex. There were two dining room areas, a ballroom and lounge areas that could be converted in to office space. There are also two patio areas. The former kitchen has a loading dock and could be used for storage. The building is located on the access road to the new passenger terminal.

Contact Jimmy Williams at (318)449-3504 ext 207 or at jwilliams@englandairpark.org for more information about this building.
